Unit Coordinator's Response:			
<p>Dear Students, thank you to all of you (from different campuses) who have taken the time to provide us with your invaluable feedback. Overall, you have been positive and encouraging. We will continue with the methods which worked. For the areas identified as inadequate, the team has discussed and come up with strategies to improve teaching and learning. For example, in the area of feedback, we will improve the return of assessments so that students could learn from the feedback before starting on a new assessment. There will also be greater clarity in assessment expectations and marking guides. Best wishes for your studies in the new year</p>
